

FALL 2015

VILLAGE REC

Welcome

The Village of Wappingers Falls Recreation Committee invites all members of the community to come enjoy our many events, programs and parks. We are a dedicated group of volunteers that strive to enhance our community through arts, parks, and programming.

The Recreation Committee always welcomes new members, so if you have a few good ideas or a couple of hours to spare to help us bring our community together, join us at our monthly meeting. We meet the third Monday of each month at 7pm in the Legion Hall, 7 Spring St.
